Preferred School - each alum is assigned to one and only one school; normally the school from which they received their earliest degree.
Attended Undergrad/Grad - individual alums are counted only once per school attended but may be counted in multiple schools. The same alumnus may be counted in both Grad and Undergrad if they received two degrees.
Attended Total - count of unique individuals for a specific school. Alums receiving degrees from multiple schools will be counted in each school, but alums receiving an undergraduate and graduate degree from a single school will only be counted once for that school.
